

CONSTRUCTION & DEMOLITION RECYCLING PROGRAM REGULATIONS

California State Law, CalGreen Building Code, and City of Tulare Construction and Demolition (C&D) Ordinance No. 7.18 establish regulations for mandatory waste diversion requirements for construction and demolition projects.

The City of Tulare is required to divert a minimum of 50% waste from landfills.

Many of the (C&D) debris may be successfully diverted through recycling or reuse.

Contractors working on Non-Covered Projects are encouraged to divert material from construction and demolition projects to the maximum extent.

DIVERSION REQUIREMENTS

Inert Materials - 100% diversion required.
All Other materials - at least 50% diversion required.

HOW TO COMPLY

- Complete the C&D Debris Recycling and Reuse Application Form.
- Contact Tulare Solid Waste Department at (559) 684-4325 for all C&D debris hauling within the City of Tulare.
- For self-haulers, identify your construction debris as C&D to the vendor or the landfill gate attendant.
- Obtain a weight ticket for the delivered material.
- Attach the weight ticket to the C&D Recycling Plan application.
- Submit the weight tickets and completed form to the City of Tulare Planning & Building Department (411 E. Kern), before requesting a final for your project.

OTHER DISPOSAL SOLUTIONS

City of Tulare: 684-4325
3981 South 'K' Street

- Glen Wells: 625-0695
30486 Road 64, Goshen

C & D CONSTRUCTION AND DEMOLITION RECYCLING PROGRAM

City of Tulare
PLANNING & BUILDING DEPARTMENT
(559) 684-4217

October 2013

C&D DEBRIS DIVERSION

Every construction and demolition permit involving any covered project shall fill out a C&D Recycling Plan Application and submit it to the City of Tulare Planning & Building Department (411 E. Kern) along with building plans. Submit a completed C&D Debris Recycling and Reuse Plan along with weight tickets and receipts to the City of Tulare Planning & Building Department (411 E. Kern) before the project is finalized.

KEEP ALL RECYCLING, C&D, AND LANDFILL RECEIPTS

All landfill tickets must have the permit number and construction site address written on them. These receipts need to be submitted in a timely manner to avoid permitting delays, and are necessary for the mandatory C&D Debris Recycling and Reuse Plan compliance report which must be submitted to the Building Official within 30 days of project final.

- Applicants may self-haul C&D materials to any permitted C&D Recycling Facility (listed).
- Self-haulers MUST advise the landfill gate attendant that they are disposing of covered C&D material or landfill waste in order to receive the required C&D debris weight ticket/receipt.
- If the applicant is not able to or chooses not to self-haul, the applicant must use a certified hauler to transport all C&D materials within the City of Tulare limits if the applicant is disposing of covered C&D material or landfill waste in order to receive the required C&D debris weight ticket/receipt.

COVERED PROJECT MATERIALS

Used or commonly discarded materials generally considered to be not water soluble and non-hazardous in nature, including but are not limited to:

- Acoustic ceiling tile
- Asphalt shingles (WC Wood Industries)
- Asphalt, concrete, shotcrete, and other masonry building materials including brick, rock, and stone
- Cardboard
- Glass
- Gypsum drywall
- Plastic pipes and buckets
- Hardiplank siding and boards
- Job Office Materials: paper, bottles, cans, plastic
- Metals such as rebar, pipes, siding, window frames, door frames, or fences
- Pallets
- Rigid or fiberglass insulation
- Salvageable materials and structures including doors, windows fixtures, light and plumbing fixtures, hardwood flooring, sinks, bathtubs, and appliances.
- Vegetation including trees, shrubs, stumps, logs, or brush. (Excluded vegetation: bamboo, palm fronds, and yucca. Place these plant materials in the trash.)
- Wood that is not chemically treated, CCA pressure-treated, painted, or stained.

PROJECTS THAT MUST RECYCLE C&D DEBRIS

C&D AND GREEN CODE REQUIREMENTS

- All new construction regardless of size or value.
- All kitchen or bathroom renovations.
- All residential demolitions.
- Commercial demolitions that are 500 sq. ft. or more.
- Renovations, remodels, or additions to existing residential structure that is equal to or greater than 500 sq.ft. or exceeds \$20,000.
- Renovations, remodels, or additions to existing commercial or multi-family residential structure that is equal to or greater than 1,000 sq.ft. or value that exceeds \$20,000.

CITY-SPONSORED CONSTRUCTION

- All new residential, multi-family, or commercial construction.
- All demolitions and renovations equal to or greater than 1,000 sq.ft.
- All City Services and construction projects awarded pursuant to the city's competitive bid.

REMINDER: SELF-HAULERS MUST ADVISE THE LANDFILL OR TRANSFER STATION GATE ATTENDANT THEY ARE DISPOSING OF C&D DEBRIS.

VISALIA LANDFILL

8614 Avenue 328 at Road 80 (Alta)

OPEN: Mon-Fri...7am - 4pm
Sat...8am - 4pm

Commingled C&D Materials

TEAPOT DOME LANDFILL

21063 Ave 128, Porterville

OPEN: Thurs-Fri... 7am - 4pm
Sat... 8am - 4pm

Commingled C&D Materials

FOR MORE LANDFILL INFORMATION CALL: 624-7000

All landfills are CLOSED on Sundays, New Years Day, Memorial Day, 4th of July, Labor Day, Thanksgiving and Christmas Day.

APPLICANT MUST SUBMIT ALL WEIGHT TICKETS/RECEIPTS IN A TIMELY MANNER TO RECEIVE A PROJECT FINAL.

- Projects that qualify under the City of Tulare's C&D Ordinance and CalRecycle's Green Code must submit all disposal weight tickets from every vendor or facility that collected, transported, or received any project C&D debris.
- Submit the completed C&D Debris Recycling and Reuse Plan along with the weight tickets/receipts to the City of Tulare Planning & Building Department at 411 E. Kern.
- The applicant is responsible for ensuring the recycling requirements are met for all waste generated on site, including waste generated by contractors and subcontractors.
- Failure to accurately account for and submit the required documentation for all C&D project debris as identified in the final compliance report is a violation of the City of Tulare C&D Ordinance and may result in a penalty of up to 15% of the cost of the project or \$50,000, whichever is greater as well as cause potential delays of the project final.

CERTIFIED C&D HAULERS

City of Tulare - 684-4325
3981 South 'K Street

Permitted Haulers for C&D Only:

- City of Tulare - 684-4325
- Bryan Company
- Kroeker Inc. (Kroeker Inc. projects only)
- Tulare County Roll-off

Authorized Limited Roll-Off Service Providers

The following companies are the only authorized entities to provide such limited roll-off services in the City of Tulare as indicated below. These companies provide payment for recycled materials:

- Allan Company - Plastic Recycling
- Bairos Recycling - Cardboard & Plastic Recycling
- J and H - Metal Recycling
- Sunset Waste Systems - Cardboard Recycling
- Tulare Recyclers - Metal Recycling
- Waste Management - Cardboard & Plastic Recycling
