

LEAF VAC PROGRAM

This program begins the first Monday after Thanksgiving and runs until the second Friday in January (weather permitting).

- Please do not blow or rake leaves into the gutter.
- Place your leaves in your residential GREEN CAN

Please Do Not put plastic bags in your GREEN CAN.

If you have a large amount of leaves that will not fit into your residential green can, the Solid Waste Division can schedule to come by and vacuum up your leaves.

Please rake them and leave them in a pile (no wider than 2 feet) and put them 2 feet out from the gutter (not in the gutter), or just on top of the curb.

(see example below)

When you have your leaves ready and all obstructions removed, call Solid Waste at (559)684-4325, to schedule removal of the leaves.

Please be advised, the schedule fills up quickly and it may be a few days before we can get to your address.

Reminders:

- Use your residential green can as much as possible.
- Make sure all obstacles are clear from streets on days of street sweeping (cars, hoops, etc.).
- Keep GUTTER clear of leaves
