CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This 2015-2016 Consolidated Annual Performance and Evaluation Report (CAPER) is the City of Tulare's report to the U.S. Department of Housing and Urban Development (HUD) describing the use of federal Community Development Block Grant (CDBG) funds during the first program year of the 2015-2016 Consolidated Plan period, covering July 1, 2015 to June 30, 2016.

The City receives CDBG funds from HUD on a formula basis each year, and in turn, will support public services activities, improve quality and availability of public facilities, fund efforts to provide for homelessness, assist with renovation of housing and support economic development efforts as determined by the 2015-2019 Consolidated Plan primarily to benefit Low and Moderate Income persons (LMI).

For the 2015-2016 program year, the City received \$622,154 in CDBG funds and \$53,189 in program income. Carryover funds of \$673,237, from prior year and the current program year award results in available funds for the year \$1,348,580. Together with other state and local investments (i.e. State HOME funds), HUD resources allowed the City and its community partners to:

- Provide homelessness assessment and assistance to 108 residents
- Provide dental services to 151 residents
- Provide Graffiti Removal services in the CDBG Target Area
- Provide First Time Home Buyer (FTHB) homes to 12 households (State HOME)
- Installation of new sidewalk and ramp improvements on B Street between Inyo and San Joaquin
- Complete water main upgrade replacement B Street between Inyo and San Joaquin

Table 1 provides a summary of the five-year goals as set forth in the 2015-2019 Consolidated Plan accomplishments for the period ending June 30, 2016, arranged by each of the Strategic Plan Goal.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Table 3 – Resources Made Available

Narrative

For the 2015-2016 program year, the City received \$622,154 of CDBG funding which was combined with prior year unexpended funds of \$673,237 and program income of \$53,189, for a total investment available of \$1,348,580.

The City has a HOME first Time Home Buyer Program through the State of California in place with available funding of \$700,000 and program income of \$263,254 that is reported through the state and not duplicated above. Self Help Enterprises (SHE) assisted the City in providing 12 new First Time Home Buyer (FTHB) loans for a total of \$634,782 for the 2015-2016 program year.

Identify the geographic distribution and location of investments

Citywide	100	100	Funds will be available citywide
West Tulare Target Area	51	51	Graffiti Removal

Table 4 – Identify the geographic distribution and location of investments

Narrative

The geographic distribution and location of investments for public services activities was classified as Citywide were consisted of outreach events provided by CoC and MTFRC. The graffiti cleanup was done Citywide as well, but CDBG portion was limited to West Tulare. The West Tulare Graffiti cleanup eligible area is west of Highway 99 to Enterprise St; Southern boundary is Paige Ave; Northern boundary is Property Ave and Cartmill Ave.

The public facility improvement work was done this year B Street between Inyo and San Joaquin. The work done was the installation of sidewalks, ADA ramps, and water main upgrade replacement.

See map attachment #3

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

All applicants for CDBG funds are strongly encouraged to leverage their CDBG request with other funding sources. This is a factor used when making funding recommendations to the City Council. The City supports applications by other entities for additional federal resources for proposed projects or programs as long as they are consistent with the City's policies, ordinances, and the Strategic Plan.

The B Street public improvement activities was part of a larger Capital Improvement Project that could be expanded due to CDBG funding available. The City was able to combine a major street project, sewer, water main upgrade and sidewalk installation with handicap ramps. By combining the activities, it was a cost effective way to utilize one general contractor to do the construction in a timely matter with the least amount of neighborhood disruption as possible.

The B Street project entailed public improvements from Inyo Ave to San Joaquin. Total project cost was \$985,483. CDBG portion was \$396,000 with the remainder paid with operating transfer from Enterprise Funds 012 and 015, and State Gas Tax.

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

The City identifies affordable housing as a goal in the 2015-2019 Consolidated Plan. For this program year, the City was not able to devote resources to meet this goal. However, the Community Development Department was able to hire a full time Housing and Grants Specialist in October 2016, and this shortfall will be addressed in 2016-2017.

Discuss how these outcomes will impact future annual action plans.

Action Plan 2016-17 will be reviewed and staff will consider amending to reflect the level of commitment of City Council and City staff in regards to the housing needs for City of Tulare

citizens. The City will continue to apply for State HOME funds and its partnership with Self Help Enterprises to administer a FTHB program.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

CoC completed their annual Point in Time (PIT) and Project Homeless Connect (PHC) outreach to the homeless in January 2016. The PIT count detail for Tulare indicated that 73% of mostly single people are sleeping in places not meant for humans. The City will continue to collaborate with the CoC and the community as a whole to address and correct these issues.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City of Tulare continues to be the lead on Shelter Plus Care (SPC) and Special Needs Assistance Program (SNAP) grant funding by HUD to provide housing units for homeless people with special needs. Family Services of Tulare County (FSTC) manages the program. Tulare Housing First Program provides up to seven transitional housing rental assistance.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The City will continue to reach out to organizations, such as Lighthouse Rescue Mission and CoC, to establish the scope of need for these individuals and establish a plan to assist.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City will continue to reach out to organizations, such as Lighthouse Rescue Mission and CoC. The non-profit and faith-based community play a key role in the current CoC system. Several agencies throughout the County provide programs ranging from feeding the homeless on the street to creating permanent supportive housing opportunities. These services are available to homeless families with children, and single men and women.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The Housing Authority of the County of Tulare (HATC) provides rental assistance to very low and moderate-income families, seniors and the handicapped throughout the county. HATC offers many different programs, including the conventional public housing program, the housing program, the housing choice voucher program, the farm labor program for families with farm labor income, senior housing programs, and other housing programs. The also own and manage some individual subsidized rental complexes that do not fall under the previous categories.

HATC properties owned or managed in Tulare are Country Manor, West Trail, Cypress Cove, and Aspen Court. The exact number of units and families assisted are unknown at the time of this report, but the City will reach out to them and find out, as well as find out what the immediate need is and if CDBG funds can be utilized.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The City will be expanding its community outreach through social media, workshops and group presentations in upcoming program years.

Actions taken to provide assistance to troubled PHAs

Housing Authority of Tulare County is a high performing PHA and not determined to be troubled.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

In the development of the 2015-2023 Housing Element, the City evaluated significant public policies effecting affordable housing development such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges and growth limitations. Based on this evaluation, the City determined that it has taken all necessary steps to ameliorate the negative efforts of public policies that may have been a barrier to affordable housing.

The two primary barriers to affordable housing identified in the 2015-2019 Consolidated Plan include housing affordability and the lack of monetary resources necessary to develop and sustain affordable housing. The barriers are related in the sense that demand for affordable housing exceeds the supply and insufficient resources are available to increase the supply of affordable housing to meet demand.

The City actively monitors its existing zoning and development standards to ensure the necessity and efficacy for achieving the goal of safe and livable housing for all income categories. In 2016, the City amended its municipal code to add provisions for a density bonus for high-density projects.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The primary obstacles to meeting the underserved needs of low- and moderate-income people include lack of funding from federal, state and other local sources, the high cost of housing that is not affordable to low-income people and the lack of availability of home improvement financing in the private lending industry. The City is committed into utilizing all available funding sources and organizations to address these issues.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

The residential Lead Based Paint Hazard Reduction Act of 1992 (Title X) emphasizes prevention of childhood lead poisoning through housing-based approaches. To reduce lead-based paint hazards, the City conduct lead-based paint testing and risk assessments for each property assisted that was built prior to January 1, 1978 and will incorporate safe work practices or abatement into the scope of work as required to reduce lead-based paint hazards in accordance with 24 CFR Part 35.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The implementation of CDBG activities meeting the goals established in the 2015-2019 Consolidated Plan – Strategic Plan will help to reduce the number of poverty-level families by:

- Supporting activities that expand the supply of housing that is affordable to low- and moderate-income households;
- Supporting activities that preserve the supply of decent housing that is affordable to low- and moderate-income households;
- Supporting a continuum of housing and public service programs to prevent and eliminate homelessness;
- Supporting housing preservation programs that assure low income households had a safe, decent and appropriate place to live;
- Support public services for low- and moderate-income residents including those with special needs and those at-risk of homelessness; and
- Promoting economic opportunity for low- and moderate-income residents

In addition to these local efforts, mainstream state and federal resources also contribute to reducing the number of individuals and families in poverty. Federal programs such as the Earned Income Tax Credit and Head Start provide pathways out of poverty for families who are ready to pursue employment and educational opportunities. Additionally in California, the primary programs that assist families in poverty are CalWORKS, CalFresh (formerly food stamps) and Medi-Cal. Together, these programs provide individuals and families with employment assistance, subsidy for food, medical care, childcare and cash payments to meet basic need such as housing, nutrition and transportation. Other services are available to assist persons suffering from substance abuse, domestic violence and mental illness.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The institutional delivery system for Tulare can be developed to be a high-functioning and collaborative relationship between local government and the nonprofit sector comprised of a network of capable non-profit organizations that are delivering a full range of services to residents. Strong City departments will anchor the administration of HUD programs and the housing, community and economic development activities that are implemented by the City to support and enhance the existing institutional structure. The City of Tulare will collaborate with affordable housing developers and non-profit agencies through the 2016-17 Annual Action Plan to ensure that the needs of low- and moderate-income residents are met as envisioned with the 2015-2019 Consolidated Plan – Strategic Plan.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

To enhance coordination between public and private housing and social service agencies, the City will continue consulting with and inviting the participation of a wide variety of agencies and organizations involved in the delivery of housing and supportive services to low- and moderate-income residents in Tulare.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

The City of Tulare acknowledges that it is required to conduct an Analysis of Impediments (AI) to Fair Housing Choice as a condition of accepting Community Development Block Grant funding. The City will take appropriate actions to overcome the effects of impediments identified through the analysis, and maintain records reflecting the analysis and actions taken in this regard.

In order to assist in meeting these broad objectives, the City of Tulare will do the following:

- Analyze and support the elimination of housing discrimination in the City of Tulare
- Promote fair housing choice for all persons
- Provide opportunities for inclusive patterns of housing occupancy regardless of race, color, religion, sex, familial status, disability, and national origin
- Promote housing that is structurally accessible to, and usable by, all persons, particularly persons with disabilities, and
- Foster compliance with the nondiscrimination provisions of the Fair Housing Act.

The City of Tulare adheres to Fair Housing Compliance in a Coordinated Assessment System by conducting the following activities:

Affirmatively market housing and supportive services to eligible persons regardless of race, color, national origin, religion, sex, age, familial status, or handicap who are least likely to apply in the absence of special outreach, and maintain records of those marketing activities;

Where the City encounters a condition or action that impedes fair housing choice for current or prospective program participants, the City will take action consistent with certification of its Consolidated Plan; and

Provide program participants with information on rights and remedies available under applicable federal, state, and local fair housing and civil rights laws.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

To ensure that CDBG funds are used efficiently and in compliance with applicable regulations, the City will provide technical assistance to all subrecipients at the beginning of each program year and monitor subrecipients throughout the program year. The subrecipient agreement will contain a monitoring schedule and regular periodic claims and reported process. If the subrecipient is struggling, then this will allow the City to assist. Program monitoring and compliance will be put in place to comply with CDBG program regulations.

The City will be proactive in minority business outreach and development to promote economic business opportunities for low- and moderate-income residents through a partnership with the Tulare Chamber of Commerce.

Technical Assistance

To enhance compliance with federal program regulations, the City will provide an annual Notice of Funding Availability (NOFA) workshop to review the Plan goals, program requirements and available resources with potential applicants. Subsequent to the approval of the Annual Action Plan, a mandatory subrecipient workshop is held to review program regulations in detail, to provide useful forms and resources for documenting compliance and to review the City's compliance procedures and requirements. Additionally, individualized technical assistance is provided on an as-needed basis throughout a program year.

Activity Monitoring

All activities will be monitored, beginning with a detailed review upon receipt of an application consolidated to determine eligibility, conformance with a National Objective and conformance with a Plan goal. This review will examine the proposed use of funds, eligibility of the service area, eligibility of the intended beneficiaries and likelihood of compliance with other federal requirements such as the National Environmental Policy Act, the System for Award Management (SAM), debarment list, prevailing wage, Minority and Women Business Enterprise, Section 3 and federal acquisition and relocation regulations, as applicable.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

The City has adopted a Citizen Participation Plan (CPP) with the 2015-2019 Consolidated Plan to ensure that all citizens of Tulare, units of local government, housing agencies and other interested parties are provided with the opportunity to participate in the planning and reporting process. The draft CAPER was made available on the City website on November 28, 2016 and at the following locations:

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

The City is committed to making a significant impact on strategies to address the high priority needed established in the 2015-2019 Consolidated Plan – Strategic Plan:

- Support Public Services Activities
- Improve Quality and Availability of Public Facilities
- Fund Efforts to Provide for Homelessness
- Assist With Development or Renovation of Housing
- Support Economic Development Efforts

The city will establish programs to support these objectives with the assistance of other city departments, community outreach and participation, non-profit organizations, program participants, and other interested parties. Should any challenges arise in the implementation of CDBG funded activities; the City will proactively identify additional opportunities to invest CDBG funds to meet Strategic Plan goals.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

None at this time.

APPENDIX A

Public Notices

**NOTICE OF PUBLIC HEARING TO REVIEW THE CITY OF TULARE
2015-16 CONSOLIDATED ANNUAL PERFORMANCE EVALUATION REPORT**

The City of Tulare will submit its Consolidated Annual Performance and Evaluation Report (CAPER) for Program Year 2015 (July 1, 2015 – June 30, 2016) to the United States Department of Housing and Urban Development (HUD), no later than December 22, 2016. The CAPER is an annual report that describes the performance in meeting its goal with the use of Community Development Block Grant (CDBG) received from HUD. The City uses this grant to provide decent, clean, safe and affordable housing, create a suitable living environment, and expand economic opportunities, principally for persons of low and moderate income. The City of Tulare's 2015-2019 Consolidated Plan/Action Plan, which identified projects and programs was previously reviewed and adopted by the City Council to meet these objectives.

The City of Tulare will present the DRAFT and Final 2015-16 CAPER at the following

Public Community Workshop – Tuesday, December 6, 2016, at 6:00 P.M.

Tulare Public Library, 491 North M Street, Tulare California

City Council – Public Hearing– Tuesday, December 20, 2016, at 7:00 P.M.

Council Chambers, 491 North M Street, Tulare California

A DRAFT copy of the proposed CAPER will be available for citizen's review on the City of Tulare's website at <http://www.tulare.ca.gov/departments/community-development/development-services/housing-cdbg-services> , at the City of Tulare, Community Development Department located at 411 East Kern Avenue, Tulare, CA, between the hours of 8:00 am and 5:00 pm, Monday through Friday. The public has fifteen (15) days to comment in writing on the proposed CAPER DRAFT. **The public comment period begins November 28 2016, and ends at 5:00 PM on December 13, 2016.** The public hearing on December 20, 2016, will be held to receive comments on the CAPER. The hearing will also be an opportunity to accept public comment on housing and community development needs in Tulare. Public Notices

NOTICE OF PUBLIC HEARING TO REVIEW THE CITY OF TULARE 2015-16 CONSOLIDATED ANNUAL PERFORMANCE EVALUATION REPORT

The City of Tulare will submit its Consolidated Annual Performance and Evaluation Report (CAPER) for Program Year 2015 (July 1, 2015 - June 30, 2016) to the United States Department of Housing and Urban Development (HUD), no later than December 22, 2016. The CAPER is an annual report that describes the performance in meeting its goal with the use of Community Development Block Grant (CDBG) received from HUD. The City uses this grant to provide decent, clean, safe and affordable housing, create a suitable living environment, and expand economic opportunities, principally for persons of low and moderate income. The City of Tulare's 2015-2019 Consolidated Plan/Action Plan, which identified projects and programs was previously reviewed and adopted by the City Council to meet these objectives.

The City of Tulare will present the DRAFT and Final 2015-16 CAPER at the following

NOTICE OF TRUSTEE'S SALE (The above statement is made pursuant to CA Civil Code Section 2923.3(d)(1). The Summary will be provided to Trustor(s) and/or vested owner(s) only, pursuant to CA Civil Code Section 2923.3(d)(2).) YOU ARE IN DEFAULT UNDER A DEED OF TRUST DATED June 24, 1998. UNLESS YOU TAKE ACTION TO PROTECT YOUR PROPERTY, IT MAY BE SOLD AT A PUBLIC SALE. IF YOU NEED AN EXPLANATION OF THE NATURE OF THE PROCEEDINGS AGAINST YOU, YOU SHOULD CONTACT A LAWYER. On December 19, 2016 at 11:00 AM, at the entrance to the City Hall, 411 East Kern Avenue, Tulare, CA 93274, MTC Financial Inc. dba Trustee Corps, as the duly Appointed Trustee, under and pursuant to the power of sale contained in that certain Deed of Trust recorded on June 29, 1998 as Instrument No. 1998-0045521, of official records in the Office of the Recorder of Tulare County, California, executed by DELLA ROBERTS, A WIDOW AND LENNIE L. ROBERTS, A MARRIED MAN AS HIS SOLE AND SEPARATE PROPERTY, as Trustor(s), in favor of BENEFICIAL CALIFORNIA INC. as Beneficiary, WILL SELL AT PUBLIC AUCTION TO THE HIGHEST BIDDER, in lawful money of the United States, all payable at the time of sale, that certain property situated in said County, California describing the land therein as: AS MORE FULLY DESCRIBED IN SAID DEED OF TRUST The property heretofore described is being sold "as is". The street address and other common designation, if any, of the real property described above is purported to be: 1467 E DIANNA AVE, PIXLEY, CA 93256 The undersigned Trustee disclaims any liability for any incorrectness of the street address and other common designation, if any, shown herein. Said sale will be made without covenant or warranty, express or implied, regarding title, possession, or encumbrances, to pay the remaining principal sum of the Note(s) secured by said Deed of Trust, with interest thereon, as provided in said Note(s), advances if any, under the terms of the Deed of Trust, estimated fees, charges and expenses of the Trustee and of the trusts created by said Deed of Trust. The total amount of the unpaid balance of the obligations secured by the property to be sold and reasonable estimated costs, expenses and advances at the time of the initial publication of this Notice of Trustee's Sale is estimated to be \$38,573.09 (Estimated). However, prepayment premiums, accrued interest and advances will increase this figure prior to sale. Beneficiary's bid at said sale may include all or part of said amount. In addition to cash, the Trustee will accept a cashier's check drawn on a state or national bank, a check drawn by a state or federal credit union or a check drawn by a state or federal savings and loan association, savings

Trustees

association or savings bank specified in Section 5102 of the California Financial Code and authorized to do business in California, or other such funds as may be acceptable to the Trustee. In the event tender other than cash is accepted, the Trustee may withhold the issuance of the Trustee's Deed Upon Sale until funds become available to the payee or endorsee as a matter of right. The property offered for sale excludes all funds held on account by the property receiver, if applicable. If the Trustee is unable to convey title for any reason, the successful bidder's sole and exclusive remedy shall be the return of monies paid to the Trustee and the successful bidder shall have no further recourse. Notice to Potential Bidders If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a Trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a Trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same Lender may hold more than one mortgage or Deed of Trust on the property. Notice to Property Owner The sale date shown on this Notice of Sale may be postponed one or more times by the Mortgagee, Beneficiary, Trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about Trustee Sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 916-939-0772 for information regarding the trustee's sale or visit this Internet Web site <http://www.qualityloan.com>, using the file number assigned to this foreclosure by the Trustee: CA-15-686718-CL. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. The undersigned Trustee disclaims any liability for any incorrectness of the property address or other common designation, if any, shown herein. If no street address or other common designation is shown, directions to the location of the property may be obtained by sending a written request to the beneficiary within 10 days of the date of first publication of this Notice of Sale. If the sale is set aside for any reason, including if the Trustee is unable to convey title, the Purchaser at the sale shall be entitled only to a return of the monies paid to the Trustee. This shall be the Purchaser's sole and exclusive remedy. The purchaser shall have no further recourse against the Trustor, the Trustee, the Beneficiary, the Beneficiary's Agent, or the Beneficiary's Attorney. If you have previously been discharged through bankruptcy, you may have been released of personal liability for this loan in which case this letter is intended to exercise the note holders right's against the real property only. 2014	Community Services Employment Training (CSET) selected a total of 35 low-income Tulare Joint Union High School District students to be the first cohort of the 9-month Tulare LEAD (Leading, Educating, Advocating, and Dedication) Program. Bi-weekly sessions for the students focused on civic engagement, community service, college preparedness, and career exploration. During sessions held on the Tulare campus of the College of the Sequoias; at CSU, Fresno; and on the UCLA campus, local professionals, community leaders, and former Tulare County CSET participants who are now in college shared their life histories and accomplishments while encouraging the Tulare LEAD students to set their own educational, career, and life goals. Tulare LEAD students chose "Domestic Violence Prevention in Teen Dating" as their service learning project. They produced a video on the subject that was presented during three breakout sessions at the Central California Youth Summit, reaching hundreds of Tulare County youth on one day. LEAD students interested in summer work experience were employed as interns at locations such as the Tulare County Health and Human Services Dept., the Tulare Animal Shelter, the Tulare County Agricultural Commissioner's office, and the County's Hillman Health Clinic.

-------	--------------------------	---------------

2015	CDBG funds for Kings Tulare Continuum of Care(CoC)this year assisted homeless outreach annual Point in Time (PIT) and Project Homeless Connect(PHC). A PIT count provides service agencies, local government and policies makers the opportunity to spot trends in homelessness and to evaluate the success of existing programs. It is a tool for agencies and their partners to apply for funding and to plan for programs and services to meet the needs of people experiencing homelessness within our community.
